

CSS Introduces Affordable Financing for the Security Industry

communicationsolutions

At your Service

Communication Service Solutions, the provider of highly popular telephony and central station solutions now offers affordable financing options for the security industry.

Our financing program can be used to purchase almost anything you need, including Aeonix telephony, SecurVoice call recording and Sur-Gard Receivers. And, with our customers in mind, we also finance items such as generators, servers, furniture and much more.

Have you Considered the MEW Factor?

Be prepared for your next UL inspection and where you fall in the MEW factor. Ask yourself two questions. Number one, how will this impact your business? And two, what will your needs be? Servers, greater network infrastructure and redundant telephony systems can all be purchased under our financing packages. We will even help you equip a remote site for redundancy and disaster recovery. CSS is here to support you in your needs and as always exceed expectations.

The Details

Communication Service Solutions in cooperation with Blue Street Capital have developed affordable financing and lease options to meet the needs of CSS customers. These financing options will allow CSS customers to conserve cash and working capital, as well as preserve current lines of credit. In addition, the decision to invest in the CSS Aeonix solution, SecurVoice call recording solution and SurGard central station receivers may also result in a variety of beneficial tax benefits and deductions.

Blue Street Capital has the ability to approve a wider range of credits than large banks and capital leasing companies. They can also finance a wider variety of equipment, software, and even services than most other financing institutions. With best-in-class financial options tailored to meet your specific needs, Blue Street Capital has you covered.

Payment terms normally range from two to three years with monthly payments, but Blue Street Capital also offer shorter and longer payment terms as well as quarterly, semi-annual, and annual payment plans.

Flexible Options:

- Fair Market Value Leases
- Capital Leases
- Full-payout Term Financing
- Deferred Payment Options (for up to 6 months)
- Step Payment Options

Blue Street Capital's process is quick and convenient with simple one page lease applications, fast quotes, pre-approvals, competitive rates, preventive maintenance and extended warranty financing, and dedicated experienced finance professionals assigned specifically to help CSS customers.

Contact CSS today to learn how we can bring our proven and powerful solutions to your Central Station. After all, we are the Central Station experts that bring you better solutions, revenue and premiere 24 hour technical support.
